

By learning about these critical concerns of groups all across the world, members of the Red Mountain MUN begin to enliven their social consciousness, to realize that while in many cases we function as individuals, we must understand and assist one another to ensure the grave problems world faces reach peaceful and constructive resolution and nations grow in peace and pros-

perity . With the increased awareness and empathy of the situations and peoples of the world comes a greater local sensitivity to the needs of the Red Mountain community. Once you ignite the spark of genuine concern for those across the globe, transforming them from abstractions seen on the news, to genuine, and unique people, that concern begins to permeate all levels of your life.

“TODAY, NO WALLS CAN SEPARATE HUMANITARIAN OR HUMAN RIGHTS CRISES IN ONE PART OF THE WORLD FROM NATIONAL SECURITY CRISES IN ANOTHER. WHAT BEGINS WITH THE FAILURE TO UPHOLD THE DIGNITY OF ONE LIFE CALL TOO OFTEN ENDS WITH A CALAMITY FOR ENTIRE NATIONS.”
